

DIAPER DRIVE FOR FAMILIES SUPPORTED BY ...

## CONEJO COMMUNITY OUTREACH'S **COMMUNITY** **DIAPER BANK**

### About the Diaper Bank

CCO's community diaper bank supports families and organizations in Ventura County by providing monthly supplemental packages of diapers and wipes. Since COVID-19, the diaper bank went from averaging 25,000 diapers per year, to currently averaging 20,000-25,000 diapers per month.

### The ask:

Can you help us stock the diaper bank's inventory so this critical resource can continue to be available for families in our community?

**WHAT:** Diaper and Wipes Drive

**HOSTED BY:** \_\_\_\_\_

**DETAILS:** Please drop off diapers or wipes at: \_\_\_\_\_

by: \_\_\_\_\_ .

Our group will organize the diapers and deliver them to the diaper bank.

### What's needed:

- All brands are accepted and appreciated but the diaper bank is especially grateful for donations of **Huggies or Pampers diapers**. The diaper bank can accept open boxes of diapers, and even open sleeves – just make sure they are labeled with brand and size.
- **Most requested sizes: 5, 6, and 4t/5t pullups**, but any size donation is wonderful!
- If you'd like to donate wipes, the diaper bank asks for **unscented, sealed packs**.
